### Our Fees, Commission and Charges

We usually receive a commission from the insurance provider with whom we place your business, and in such a case, the commission will be paid to us either when we are in receipt of cleared funds from you (or the premium finance company, if one has been used) or, when the insurer has

received cleared funds from us in respect of the premium due under your policy. The individual agreements we have with each insurer will determine which of the two methods above is used to make this transfer of commission. We also receive commission for arranging finance agreements for the payment of insurance premiums and this is usually expressed as a percentage of the individual loan and is paid to us directly by the premium finance provider. This means that the amount you pay for credit and the overall cost of arranging your insurance will vary according to the interest charged by the lender and the amount of commission we earn. Using premium finance makes the overall cost of the insurance more expensive. A full breakdown of the cost of your insurance and the cost of credit will be provided as part of your new business or renewal quotation before you make a decision whether to proceed.

In addition, we may make the following charges to cover the administration of your insurance:

### STANDARD CHARGES (premiums over £500)

Arranging new policies	£25
Mid-term adjustments	£25
Refunds (we refund Net of our commission)	£Nil
Renewals	£25
Credit Card Payments	£Nil
Cancellations (we refund NET of our commission)	£25

### STANDARD CHARGES (premiums over £500 will be subject to negotiation subject to a minimum charge of)

Arranging new policies	£50
Mid-term adjustments	£50
Refunds (we refund Net of our commission)	£Nil
Renewals	£50
Credit Card Payments	£Nil
Cancellations (we refund NET of our commission)	£50

Policies voided or cancelled from inception by insurers will be treated as a cancellation and we will retain any commission and fees before returning the net premium to you. By accepting these terms of business, you agree that we may retain the portion of the premium that relates to commission that would have been due to us.

Occasionally we may arrange a policy on which we earn no commission (a "net premium policy") and in these cases we will advise you of the arrangement fee before you take the policy out.

Specific charges, which apply to individual policies, will be advised to you prior to the commencement of each contract applicable to that policy. The specific charge and purpose of any additional charges will always be advised to you in advance.

You are entitled to request at any time, information about the commissions that we may have received in connection with your insurance, if you want this information please contact us.

### Our Services to You

We are an insurance distributor (intermediary) and can act both as agent of insurer, and on behalf of you, the customer. We have in place management controls to deal with any conflicts of interest that might arise. Unless we advise you otherwise, we are acting on your behalf.

We also act on behalf of insurers when collecting premiums under risk transfer (See "Money" section).

We will ask questions to enable us to assess reasonably your insurance requirements, this may include checking information that we already hold about you and your existing insurance arrangements with us and other parties.

We will provide you with advice and guidance, after assessing what you want and need and recommend a suitable policy based on our experience of dealing with similar risks. In some cases, we will provide you with information only and you will need to make your own choice as we will not provide you with any advice or specific recommendations. We will confirm to you the level of service we are providing as part of our sales process. In all cases our service will include arranging and administering your insurance, including helping you with on-going changes.

If we use the services of another intermediary or distributor to place your insurance, we will advise you of the name of the intermediary or distributor we use and the name of the insurer.

**If you mislay your policy at any time, we will arrange a replacement policy document, if you request it.**

## **Demands and Needs**

### **Consumers**

In assessing your demands and needs we will ask you a number of questions. It is your responsibility to ensure you give us complete and accurate answers to any such questions, not only when you take out your policy, but also when you decide to renew or make any changes during any term of a contract of insurance (this applies to any changes in information relating to any individual named on the policy.)

We will make a specific personalised recommendation for product suitability based on our understanding and appraisal of your demands and needs requirements. Where we provide you with specific advice, we will give you the relevant information you require, honestly, fairly, and professionally and in a way that is in your best interests (i.e., we will alert you to important terms and conditions about the contract of insurance, and we will provide you that information when it is most relevant). This may include information about comparable products between different product providers, all of which will help you to decide whether to go ahead with any particular contract of insurance.

### **Non-Consumers**

If you are dealing with us in a commercial capacity, you will be under a duty to make a fair presentation. You are therefore required to disclose any matter which you know or ought to know that would influence the judgement of an insurer in deciding whether to insure the risk and on what terms. If you are unsure whether matter is relevant or not you should provide sufficient information so as to put an insurer on notice that it needs to make further enquiries if necessary.

We will make a specific personalised recommendation for product suitability based on our understanding and appraisal of your demands and needs requirements. If the sale is non-advised, we will not make a specific recommendation or provide specific advice. Where we provide you with specific advice, we will give you the relevant information you require, honestly, fairly, and professionally and in a way that is in your best interests (i.e., we will alert you to important terms and conditions about the contract of insurance, and we will provide you that information when it is most relevant). This may include information about comparable products between different product providers, all of which will help you to decide whether to go ahead with any particular contract of insurance.

## **Our Selection (Fair and Personal Analysis)**

Our selection usually involves presenting to a reasonable number of insurance companies that will insure for the risk at hand, and this is called a fair and personal analysis of the market.

Sometimes we may only approach two or three insurers and this is a limited Panel, or in some cases, we may only approach one insurer, in either case, we will tell you the basis as part of our selling process. You can also request a list of the companies that form the Panel we have approached. The processes we have in place means that the characteristics of these products take account of our target customer's demands and needs and include sourcing products from one or more of the product providers we deal with.

## **Our Selection (Single Insurer)**

We only offer our travel insurance product from one insurer. We will advise you if we are contractually obliged to use any insurer.

## **Financial Strength**

We regularly assess the financial strength of the Insurance Companies and other intermediaries that we deal with. The process usually involves general observation of the financial ratings applied by independent rating agencies such as Standard & Poor's and A M Best published with other readily available information within industry guides, newsletters and press releases. Whilst we take care to deal with companies that maintain reasonable solvency margins, we cannot guarantee their financial ability to pay claims.

## **Money**

We will hold money that you pay to us in accordance with the regulator's rules or under a risk transfer agreement with insurers. This will include holding your money in the following ways.

**A statutory trust client bank account** that only allows us to use the money held in trust on behalf of a customer for paying that customer's premium to an insurance company and to pay premium refunds or claims we receive from that insurance company to the customer, once the premium has been received from that insurance company. We **cannot** use that customer's money to pay another customer's premium or refund. Also, for this reason it is not possible for you to offset the refund against premiums owed on another policy. We do not pay any interest on premiums held by us in the course of arranging and administering your insurance, unless, in the case of consumer transactions we receive more than £20 per transaction, and then we will ask for your permission to retain the interest. Unless you tell us otherwise, you are consenting to us holding your money in this way.

**A non-statutory trust insurer bank account** in accordance with our agreements with Insurance Companies that transfer the risk of money we receive from customers to them, these agreements deem any money you pay to us, to be received by them and they will bear the risk of any losses in the event that our firm becomes insolvent. This includes claims money or premium refunds we receive prior to being paid to you.

**By holding your money in one of these ways, means that in the event that this firm becomes insolvent your money remains protected.**

In arranging your insurance, we may employ the services of other intermediaries who are regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. These firms are also required to hold clients' money in a separate trust account. We will also inform you if at any time we are required to pass your premium to firms that operate outside the UK where the protection may be different. Should you not wish us to pass premiums to a firm outside of the UK, please inform us.

## **Payment Options**

We will provide you with full details of all the payment options available to you when we provide you with your insurance premium.

If you choose to enter in a finance arrangement, this will be subject to interest charges that we will confirm to you when providing the full details. **Importantly**, the arrangement you will enter into will be with the finance company not us. It is an entirely separate contract irrespective of the insurance contract. In the event of your failure to meet with the contractual obligations regarding payment the finance provider could approach the insurer to seek a termination of the insurance contract to recoup their outstanding finance arrears. You will be liable to pay their costs and charges if you do not keep up your repayments and cover is cancelled under your policy. This is because the agreement is between you, the policyholder and the finance company direct, not us or the insurer.

**Please note that we only use Close Premium Finance for the provision of premium finance facilities. It is important you read the finance agreement that is sent to you before you enter into any such agreement**

**Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.**

### Method of Communication

Whilst you do have a choice in the way we communicate with you, we will principally provide you with information using electronic means (usually this will be e-mail or some other means to enable you to access information electronically). During the process of dealing with us you will be given an option to receive information in this way, meaning if you would like information in a paper format, we will be happy to provide it.

### Call Recording

Your call may be recorded for training or monitoring purposes. We ensure all call recordings are protected in the same way as any other digital or written data in strict accordance with the General Data Protection Regulations (GDPR) and The Data Protection Act (DPA) 2018.

### Training

We maintain training to a minimum standard to ensure our workforce is appropriately skilled but where specialism in particular activities is required, we have in place more detailed requirements, including the need for our staff to attain a professional qualification where relevant.

### Conflict Management

Whilst we act in the capacity of agents for our product providers (i.e., the insurance companies we do business with) we are required to have in place appropriate governance controls to help us meet our regulatory objectives. We have in place effective organisational controls, including appropriate supervision, to ensure we manage any and all conflicts of interests which may arise or may be identified from time to time, this includes gifts and benefits granted and accepted, which may damage the interests of our relationship with either our distributors or our customers.

### Our Customers Best Interests

Our primary aim is to ensure, for any customer (or potential customer) that we act honestly, fairly and professionally and in the customers best interest including giving customers information they might need to understand the relevance of any information we provide, as well as objectively giving that information when it is most useful to a customer to enable informed decision making.

### Your Right to Cancel (Applicable to Consumers only)

Please contact us if you wish to cancel any policy that we have arranged for you. Customers acting outside their trade or profession (Consumers) will usually have a legal right to cancel policies for any reason, subject to no claims having occurred, within 14 days of receiving the full terms & conditions. You will always be advised where this Right applies. A charge may apply for the period of cover provided and, in addition, an administration charge will apply as shown in the charges section above, cancellation under this right must be in writing, prior to expiry of the cancellation period, to our usual office address.

### Cancellation non consumer

Commercial insurance policies do not routinely have cancellation rights except those available to the insurer. As a Commercial customer, you do not have the same cancellation rights by law as a consumer but may still have specific contract rights and reference should be made to the policy document to ascertain your position.

Where returns of commercial premiums are made on cancellation, it is usually following cancellation by the insurer, not the policyholder. On cancellation of a policy any refund or premium allowed by the insurer will be paid to you after deducting our annual commission and fees.

Compensation is usually payable if an authorised firm is unable or unlikely to pay claims usually because it has ceased trading or become insolvent.

### Insurance Premium Tax (IPT)

Your premium detailed in the policy will include IPT at the prevailing rate. Should the rate of IPT be amended by the Government, your premium will be amended by the insurer to reflect the change.

## IMPORTANT INFORMATION

### WARNING – CONSUMERS

#### WHERE THE MAIN PURPOSE OF THE CONTRACT IS FOR PRIVATE USE

Your duty to give information:

When applying for or amending your insurance policy, we and / or your insurer will ask a number of questions to assess the risk prior to agreeing cover. It is your duty to ensure that you answer all questions raised by insurers or us honestly and reasonably. These questions are designed to enable us or the insurer to obtain a comprehensive picture of the nature of the risk to be insured, and only by asking such questions and receiving answers which are given honestly and with reasonable care, can we or the insurer be in a position to offer terms which are designed to meet your demands and needs.

The reason why this is vital and extremely important is that if you fail to tell us or the insurer something when asked, or, if you answer carelessly or act deliberately or recklessly in making misrepresentations when answering questions, your policy may leave you with no insurance protection; insurers may not pay a part or all of your claim and may cancel your policy. You may find it difficult to re-arrange cover because you did not tell an insurer everything when asked, and you will have to disclose this fact when you reapply for insurance.

FAILURE TO ANSWER QUESTIONS HONESTLY AND REASONABLY, WHEN ASKED, MAY LEAVE YOU WITH NO COVER AND A CLAIM NOT PAID.

#### WARNING – COMMERCIAL CUSTOMERS (OR WHERE THE MAIN PURPOSE OF A CONSUMER CONTRACT IS NOT FOR PRIVATE USE)

Your duty to give information:

IT IS IMPORTANT THAT YOU UNDERSTAND YOUR DUTY TO PROVIDE ALL MATERIALLY IMPORTANT INFORMATION, FULLY, COMPLETELY AND ACCURATELY TO US AND YOUR INSURERS NOT ONLY WHEN YOU TAKE OUT YOUR INSURANCE, BUT ALSO THROUGHOUT THE LIFE OF YOUR ARRANGEMENT, AT THE ANNUAL RENEWAL OR AT ANY OTHER TIME WHEN CHANGES OCCUR.

Materially important information is any information that could influence an insurer's decision to accept your risk including the cost of your insurance. For example, details of previous insurance claims that you have made, or reported. Personal information about you, such as Criminal Convictions (you have a duty to give this information even when the insurance relates to a business and not you). General information about the risk, such as the construction of a building, (for example, concrete floor, timber frame with brick, stone, and a slate roof) if you are not sure how much information to provide or do not understand the question please ask.

The reason why this is vital and extremely important is that if you fail to tell us something, your policy will leave you with no insurance protection; insurers will not pay any claims and will cancel your policy. You will find it difficult to re-arrange cover because you did not tell an insurer everything, and you will have to disclose this fact when you reapply for insurance.

FAILURE TO DISCLOSE THESE FACTS MAY LEAVE YOU WITH NO COVER AND A CLAIM NOT PAID.

### WARNING - WARRANTIES AND CONDITIONS PRECEDENT

Your policy contains a number of WARRANTIES and CONDITIONS PRECEDENT. These are terms which you MUST comply with word for word, otherwise the insurer might not pay any claims and might cancel your policy from the start. Even if there is no connection between a breach of these terms and the cause of the loss.

Failure to comply with these terms may leave you with no insurance cover and your claim not being paid!

An insurance warranty is not a good thing, it does not mean that it is a guarantee of something; it typically means that you must comply with terms in order that your insurance protection remains operative.

Conditions Precedent: Some conditions do impose a responsibility on you to have done something or completed something before a certain section of the policy will operate. If you do not do the thing stated, cover will not be in place.

FAILURE TO COMPLY MAY LEAVE YOU WITH NO COVER AND A CLAIM NOT PAID.

### IMPORTANT

Warranties are not always referred to as such within a policy and schedule. They may be referred to as conditions, endorsements, special terms as well as warranties.

It is important that you look out for these and if you have any doubt about a particular statement, please ask us for advice.

FAILURE TO COMPLY WITH THESE MAY LEAVE YOU WITHOUT ANY COVER IN THE EVENT OF A CLAIM AND THE CLAIM MAY NOT BE PAID.
